This year, our theme is the 1990's since this year's freshman class is the last of us to have been born in that decade. It was a great decade- from the Fresh Prince, the grunge scene, Nickelodeon's golden age, O.J.'s Bronco or Bill Clinton. Though we have heard many shouts of "That's not from the 90's!" and "We didn't even really grow up in the 90's!" a better way to look at this theme would be with nostalgia. This yearbook is for all the things we loved growing up, and we're looking back on them one last time before most of us leave this town for a very long time, and move on to the next stage of our lives. This book is for the 90's, the 00's, and every year that we remember fondly.

DEDICATION

Amanda K. Mundt 1991 - 2013

Amanda died in a tragic automobile collision in the south of Haiti, July 10. Amanda was in Haiti to kick-off "Lekol Dete 2013" (Summer School 2013) in Les Cayes, Haiti, the third year of an innovative program she launched in 2010 that shatters social and cultural barriers between the "Restavek" (indentured servant or "slave") and "free" children of Haiti. Lekol Dete had grown to serve over 200 children and employed a staff of 20 local teachers, administrators and kitchen staff. Amanda graduated from Amherst Regional High School in 2009, having completed her senior year at Greenfield Community College.

She was a senior at Clark University in Worcester, MA, majoring in International Development and Social Change but had taken a year of leave to recuperate from a head injury sustained as a third-year varsity field hockey player. She was working at Bayshore Athletic Club in Braintree, MA as well as completing an internship at the Institute for Justice and Democracy in Haiti in South Boston. Amanda was recognized as a Making a Difference Scholar at Clark. Amanda leaves her parents, Kenneth and Elizabeth Mundt of Amherst, her sister and best friend Sarah and her dear friend Ryan Poteat, both of Boulder, CO, her brother Zachary of Amherst, her significant other George Sweet of Weymouth, her Grandparents Jean and Arthur Mundt of Hadley, and many relatives, friends and admirers.

Anne Momot 1955-2013

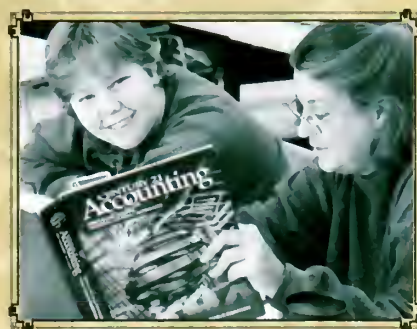

Anne peacefully passed away Oct. 22, 2013. Anne will be remembered for her fortitude, energy and selfless dedication to her family Jeff, Chris and Mikaela, her large extended family and her students. Rarely making anything for herself, she used her creative talents to make quilts, clothing and other craft items for family and friends. A hobby gardener, her gardens were much admired. She loved to bake and any occasion was a welcome chance to turn on the oven.

Anne taught middle and high school home economics for many years. Most recently, she served special education students. Her many students benefited from Anne's warmth, patience and boundless support. Her co-workers appreciated her dedication, competence and professionalism.

Meagan L. Bell 1985 - 2013

Meagan Leza Bell, 28, of Belchertown, was taken from us on July 10, 2013, the result of a car accident while visiting Haiti. Megan was born in East London, South Africa. She attended Amherst Regional High School, where she was active in the Best Buddies Program. She was an enthusiastic supporter of the regional Nomads field hockey team and the Mount Holyoke, Smith and UMass womens field hockey teams and participated annually in Special Olympics. Along with her work at Environ, Wendy's and her snackbox business, Megan especially loved her brother, Brad; her dog, Thandi; the Red Sox; and doing crafts as gifts for others.

She will be remembered as a remarkable young woman whose warmth and empathy drew a wide range of friends. She possessed an irrepressible enthusiasm for life, a gift for creating community wherever she went, and the ability to honor the humanity in every person she met. Her trip to Haiti was a greatly anticipated adventure as she longed to meet the people of Haiti whose lives and plight touched her heart. Megan was deeply loved and will be missed by her parents, Beverley and David Bell and her brother, Bradley; her maternal grandmother, Cecily Thomas of South Africa; and her many aunts, uncles, cousins and countless friends around the world.

Marilyn J. Turner 1951 - 2013

Marilyn Jane Turner, 62, died peacefully Sunday, July 28, 2013, at home, surrounded by family and close friends. Marilyn attended Needham High School and graduated from the University of Massachusetts Amherst with a degree in music theory. She spent 25 years working at Amherst Regional High School helping students reach their full potential.

She loved music, nature, gardening and laughing.
She will be missed.

She is survived by her life partner Dave Ulen; her daughter Michelle Merino Santos and son-in-law Johnny; her son Rick Merino and his wife Mara Finley; brother Jim Turner and his husband Tony Sampson; brother Robert Turner; and many nieces, nephews and friends

A writer (Ewan McGregor) stumbles upon a long-hidden secret when he agrees to help former British Prime Minister Adam Lang (Pierce Brosnan) complete his memoirs on a remote island after the politician's assistant drowns in a mysterious accident. In director Roman Polanski's tense drama, the author realizes that his discovery threatens some very powerful people who will do anything to ensure that certain episodes from Lang's past remain buried.
